You accept and agree to the following terms and conditions for Your present and future Contributions submitted to the Company. Except for the license granted herein to the Company and recipients of software distributed by the Company, **You reserve all right, title, and interest in and to Your Contributions.**

1. Definitions.

"You" (or "Your") means the person signing this Agreement and includes, if You are representing an organization or other legal entity, that legal entity and any of its subsidiaries or affiliates.

"Contribution" means any original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You to the Company for inclusion in, or documentation of, the Zend Framework (the "Work"). "Submitted" includes any form of electronic, verbal, or written communication sent to the Company or its representatives or to Company run electronic mailing lists, source code control systems, or issue tracking systems. Contributions do not include communications that are conspicuously marked or otherwise designated in writing by You as "Not a Contribution".

2. Grant of Copyright License. Subject to the terms and conditions of this Agreement, You hereby grant to the Company and to recipients of software distributed by the Company a perpetual,

worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.

3. Grant of Patent License. Subject to the terms and conditions of this Agreement, You hereby grant to the Company and to recipients of software distributed by the Company a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work to which such Contribution(s) was submitted. If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that your Contribution, or the Work to which you have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this Agreement for that Contribution or Work shall terminate as of the date such litigation is filed.

4. You represent that you are legally entitled to grant the above license. If your employer(s) has rights to intellectual property that you create that includes your Contributions, you represent that you have received permission to make Contributions on behalf of that employer, that your employer has waived such rights for your Contributions to the Company, or that your employer has executed a separate Corporate CLA with the Company.

5. You represent that each of Your Contributions is Your original creation (see section 7 for submissions on behalf of others). You represent that Your Contribution submissions include complete details of any third-party license or other restriction (including, but not limited to, related patents and trademarks) of which you are personally aware and which are associated with any part of Your Contributions.

6. You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing, You provide Your Contributions on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.

7. Should You wish to submit work that is not Your original creation, You may submit it to the Company separately from any Contribution, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which you are personally aware, and conspicuously marking the work as "Submitted on behalf of a third-party: **[named here]**".

8. You agree to notify the Company of any facts or circumstances of which you become aware that would make these representations inaccurate in any respect.
